GR MOTOSPORT introduces the ‘LAW’ to STAUFF Connect Academy

Sheffield-based GR Motosport sign Kawasaki’s former Superstock 600 Champion and Supersport race winner Mason Law for their return to Superstock 1000, aboard the all-new STAUFF Connect Academy Kawasaki ZX-10RR.

The 21-year-old from Benfleet Essex will race the awesome 2017 Kawasaki ZX10RR in the all new format Pirelli National Superstock 1000 championship under the guidance of former Grand Prix and British Championship winning Team Manager Geoff Crust.

Law, who has been a proud member of Kawasaki’s Team Green throughout his race career, had his first test on the striking STAUFF Connect Academy ZX10RR at Oulton Park earlier this week. First impressions of man and machine

raised smiles amongst the experienced Championship winning Team.

Brent Gladwin: “We are absolutely delighted to have signed Mason, we have fought against him for the last 2 years where we have each taken a title, now he is on our Team so let’s see what we can do together...”

Mason Law: “I’m delighted that I can finally talk about my deal to ride Kawasaki’s all-new ZX-10RR in this season’s National 1000cc Superstock class with the STAUFF Connect Academy. >>>

I got my first taste of the bike just this week at Oulton Park and it really is a rocket ship, and already I feel at home on it. Thanks to Brent and everyone at GR Motorsport for making me feel so welcome. Now I just can't wait to line up on the grid and enjoy the season ahead with a top team on a great bike."

Ross Burrige, Kawasaki Racing

Co-Ordinator: "Mason has been a valuable asset to Team Green over the past few years, and we were very keen to see him continue his association. Signing for the STAUFF Connect Academy Kawasaki team is a great move for Mason, and the combination of the team providing a well built Ninja ZX-10RR and Mason being a Team Green Associated Rider should see him fighting at the front from round 1. We wish him and the team the best of luck for the coming season."
